Room Selection is Tuesday, April 9, 2019 from 6:30-9PM in the Griffinaerie.

Each eligible student will be randomly assigned a lottery number. The lower your number (1 is the lowest), the better chance you have of selecting the room in Siena or Alexandria you want!

Lottery numbers will be assigned based on seniority. This means that rising seniors are assigned numbers first, then rising juniors, and then rising sophomores.

Each student will receive a lottery card that indicates their lottery number indicating the specific time for them to select. You will only receive a lottery card and be able to participate in room selection if your application and deposit have both been received.

Any student with a lottery number can “pull-in” other students with a lottery number to live with for next year. The student with the **lowest number** is who will be able to pull-in any roommates.

In order to select a room, you must bring your lottery card and GMercyU ID with you on the night of selection. No one will be assigned without the lottery card. In order to secure an Alexandria Suite with a living room you must fill all four spaces.

It is expected that students will fill the occupancy of a room or suite. If you do not, any spaces leftover will be filled by other students. No spaces will be held for incoming students or current students who are not participating in room selection.
