Account Summary

Make A Payment

Account Activity

Once you are on our third party vendor secure website, Touchnet, you will select Refunds- the first time you sign up for electronic refunds you will be instructed to set up a two-step verification. This will allow security for you if you ever want to change your banking information.

eRefunds

eRefunds puts money in your account... FAST!

No more trips to the bank or waiting for a paper check. Direct Deposit is the secure and convenient way to get your refund.

This is a test message.

Current Refund Method

You must enroll in Two-Step Verification to add a Refund Method. Please proceed to [Security Settings](#) in My Profile to enroll.

Two-Step Verification Enrollment

Primary Method

Please select how you would like to receive a passcode.

- Text message to existing or new mobile number
- Email message to existing or new email address
- Google Authenticator (Download Google's Authenticator app from the App Store (IOS) or GooglePlay (Android))

Backup Method (optional)

Adding a backup method allows a passcode to be sent to an additional mobile number or email address.

Then you will add your bank routing number and bank account. You are now set up for Electronic refunds.
