**Vaccination Information**

All state and local animal licenses, where applicable, are required for the ESA. The ESA must be immunized against disease common to that type of animal. This includes but is not limited to proof of current rabies vaccination. A copy of the current licensing and immunization documentation for the animal will be kept on file. Note: This will need to be turned in to the Accessibility Coordinator on a yearly basis and prior to the ESA residing on campus.

**Please attach copies of the appropriate documentation to this form.**

Note: A copy of this form will be given to Residence Life professional staff if the ESA is approved.
