

# Career Development

## Student Satisfaction and Learning Report

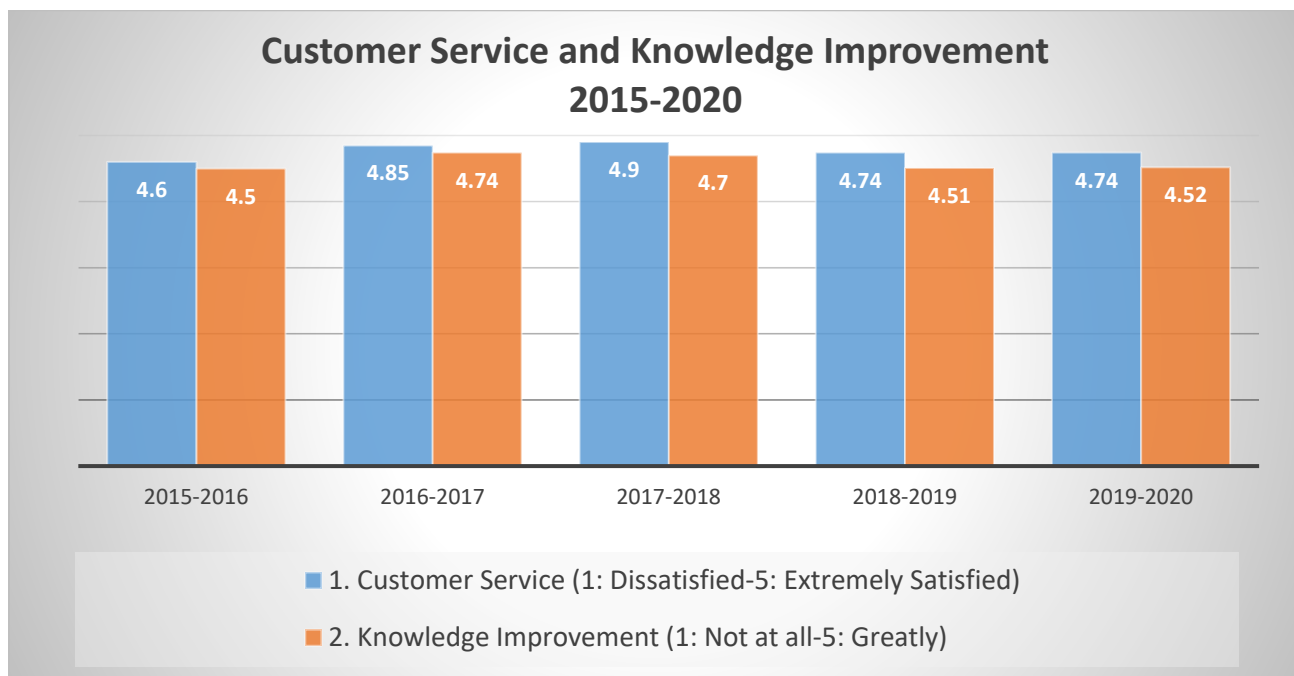

Through individual appointments, virtual resources and workshops, the GMercyU Career Development Center is here to support students and alumni with their career goals and needs. The Mission of Career Development is to empower and equip students to transition from college to career.

The following assessment results demonstrate Career Development did an outstanding job providing excellent customer service and assisting students/alumni with improving their career knowledge during the last 5 years.

Nearly all students were Extremely Satisfied with the Customer Service they received from Career Development staff. Similarly, the overwhelming majority of students who used Career Development said their knowledge improved based on the reason they came to the department.

**1. How would you rate your overall satisfaction with the customer service you received from the Career Development staff? (1: Dissatisfied-5: Extremely Satisfied)**

**2. Based on the reason you came to Career Development (i.e., resume, internship/job, interviewing, etc.) did your knowledge of the topic(s) improve after your appointment? (1: Not at all-5: Greatly)**

## What Students and Alumni are saying about Career Development
