

Online Bill Payment

Gwynedd Mercy University offers an online payment service for your convenience. Students may pay their tuition bills by credit card (Visa® and MasterCard®) or ACH/Electronic Check by visiting your self-service account.

The payment process is fast, easy and secure. Online payments can be made through Self-Service. You must have an active GMercyU student account to access Self-Service. For assistance with your Self-Service account, please contact the Service Desk at ext. 444.

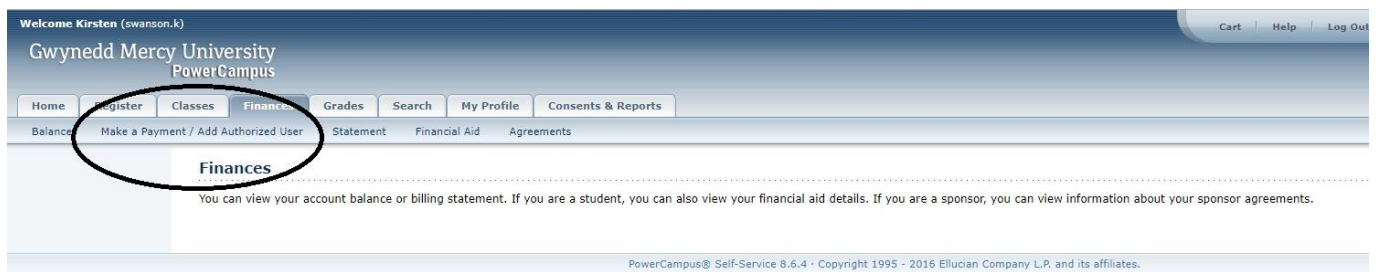

New Feature: Parent or Authorized User Logins

You may give your parent or authorized user access to the billing balance so they can make payments to your account on your behalf (No more giving your parents your login and password).

Once in your Self-Service account under the Finances tab you will see the user friendly tab Make a Payment/ Add Authorized User.

You can then access the Parent Username and enroll your authorized user. The authorized user will receive an e-mail and instructions on how to login in to your billing balance.

The authorized user will only have access to the billing balance on Self-Service.
