

Hello Students! Please see below for instructions on how to obtain your textbooks for your upcoming courses. Due to the current COVID-19 pandemic, the bookstore is physically closed but remains open virtually. If you have excess financial aid and you would like to purchase your textbooks at the GMercyU book store, you will need to fill out and virtually sign a book voucher request. The Campbell Solution Center will need up to 24 hours to apply your excess financial aid to your book store account. The book store is looking to reopen with limited hours. Information coming soon.

1. Go to Gwynedd Mercy University's Bookstore: <https://www.bkstr.com/gwyneddmercystore/home>
2. Use the "Find My Course Materials" option to search for your books (See below)

3. Next, select your courses and sections and add the books required to your cart. Once all items are added, proceed to checkout. You will need to create an account to have your books shipped to you.
4. Once items are in the bag proceed to check out and make an account. If the student is a first time renter they will need to make a rental account.
5. Choose delivery method - then proceed to payment method which will be the student's I.D. card number.

**\*If you are using excess Financial Aid to pay for your books, you will need to complete a Book Voucher before purchasing your books. Once the book voucher is completed, you can then use your Student I.D. Card number to purchase your books within 24 hours. There is a spot for students to enter their 5-digit I.D. Card number under Payment Method in the checkout process.\***
